TIER	WHO IT IS FOR	CZK / MONTH
SMALL	Little custom work, a system built from ready-made parts. Several smaller sites are fine too.	CZK 2,000 PER MONTH
MEDIUM	More custom work and your own processes that have to be designed and built.	CZK 3,000 PER MONTH
LARGE	A lot of custom work and integration with systems you already use.	CZK 4,500 PER MONTH
CUSTOM	A large company with large demands. We quote the price only after we go through what you need.	from CZK 6,000 PER MONTH

We place you in a tier not by turnover, staff or sites, but by how much work it takes to build and maintain. **Annual payment: ten months instead of twelve.**

ACCOUNTS

An account is a role at a site, not a person. Typically Owner, Manager, Warehouse; three are included. With several sites, each role counts per site: a Manager at three sites is three accounts, an Owner above all is one. Tablets, computers and phones are free.

1–3 accounts	**included**
4–6 accounts	**+ CZK 500**
7–10 accounts	**+ CZK 1,000**
11 or more	**+ CZK 1,500**

SYSTEM CHANGES

Month 1 free, months 2–3 −25 %. A half-minute tweak costs CZK 50. **Most changes fit within CZK 500.** Only replacing or rebuilding the whole system is priced separately, up front. The flat rate pays off from roughly six changes per quarter.

Flat rate Continuous changes, as many as you like.	**CZK 3,000 / 3 months**
Individually Rare changes, priced by complexity.	**CZK 50–500 / change**
Rebuild Whole-system replacement, outside integration.	**custom by scope**

EXTRA SERVICES

Besides the monthly service we do things that are **paid once**. The list with prices is on the separate sheet **“Extra services”**, with system-change prices. If something is missing, write to us; within two working days we say whether it is possible and for how much.

Billing
One clear document each month by e-mail to you and your accountant; in the app, payable by QR code.

If a payment does not arrive
Fourteen days of grace, a reminder every three days. After fourteen days we may make access read-only (we tell you in advance) — you still see your data, you just cannot enter new records.

No deletion over non-payment
Access becomes read-only. After termination we delete data within 30 days, or hand it over sooner. No termination penalty; one-month notice runs from the 1st of the following month.
